ISAE Health Fund Draw 2012 - Application for Membership (Open to ISAE Members only)

We thank you for your support in 2011. We are running this draw again in 2012 in the hope of continuing to raise money for our ISAE Health Fund and, at the same time, provide you with an opportunity to have some fun. We hope you will be as generous again in raising money to help us solve some of the health problems in our breed. With your support, we have been able to provide free eye testing for Veterans at our Championship Show. In 2012 the AHT hopes to begin the first research programme to study bloat from a genetic viewpoint.

Each share costs £10 for one year. You may buy as many shares as you wish. There will be two draws in the year, at our Open Show in June and at our Championship Show in October. The prize money available depends on your generosity in buying shares but will not exceed 1/3 of the takings.

Please fill in the form below and send it with your money to me (cheques payable to ISAE, please).
