

Irish Setter Association, England

KC/BVA/ISDS EYE CLINIC to be held at the ISAE Championship Show in the Kennel Club Building at Stoneleigh Agricultural Centre on Saturday 30th September 2017 with Prof. Bedford

The testing of eyes is important, especially since it can provide early warning of problems. Its importance has NOT been diminished by the introduction of DNA tests for already identified eye conditions. It is even more important that breeding stock is examined and have an up to date certificate. The results of eye tests are provided on the registration documents for your dogs and all their progeny; it can be an assurance for buyers that the eyes of parents of a prospective puppy have been examined and certified.

The more eyes that are tested, the more the breed will benefit and so will you and your stock. Any new eye condition arising in the breed may be identified before it becomes a problem.

In order to monitor the progress of **PRArcd4 Affected** dogs we are this year offering a **free testing**

- **FEE:** £39.00 per dog PAYABLE AT THE TIME OF EXAMINATION.
- **KC REGISTRATION CERTIFICATE:** This must be brought to the test with the dog and will be stamped and signed by the vet in attendance. **DOGS MUST BE MICROCHIPPED**
- **PRE-BOOKING:** Dogs will be accepted for testing on the day of the show but it would be helpful if you would complete the PRE-BOOKING FORM below and return it to Rosie Dudley at least 2 weeks before the Show. As far as possible, you will be free to attend at a time to suit you and it should not interfere with your showing. (Eye drops will be placed in the dog's eyes approx 20 minutes before the examination.)
- (i) **VETERANS** entered for the show in show classes are eligible for **free** testing.
(ii) **9 year olds & over** entered NFC are eligible for **free** testing.
(iii) **Dogs that are tested or hereditarily AFFECTED for PRArcd4** are eligible for **free** testing.
If you wish to apply for free testing, please complete the form below and return it to Rosie Dudley at least 2 weeks before the Show – **we are not sending out invitations this year.**
